Aprende Families,

2nd quarter has started strong and the year continues to progress successfully! Thank you to the parents who attended conferences this week. If you need to schedule a make-up conference, please reach out to your grade level administrator (6th-Violette; 7th-Pauga; 8th-Nasuta), or you can always e-mail your child's teachers with any questions/concerns.

We have 10 days left of our school fundraiser, Aprende Rocks. All donations go directly back to Aprende. We are using the funding this year to purchase tables and benches for the areas where students hang out in the morning and at lunches; a portable sound system for extra-curriculars and assemblies; additional sports equipment for lunches; and club supports. A percentage of the donations also go to teachers to buy materials for their classrooms. Any donation helps and is very appreciated. Please go to <https://app.99pledges.com/fund/aprende2022> to donate. Students and families who donate are entered into drawings for various prizes and experiences.

We look forward to our quarter 2 athletics beginning, and our Performing Arts program is continuing with phenomenal concerts and opportunities, including Jag Players "Game of Tiaras" (this weekend!). If your child is not interested in sports or the arts, we have almost a dozen clubs up and running that students can participate in. Please encourage them to join a club (or start one!). Flyers for all clubs are hung around campus and information is available on our website.

As always, thank you for your support. Should you need anything, please don't ever hesitate to reach out to me directly.

Respectfully,
Renee Kory, Principal

Author Visit

Aprende Students and Families,

We are excited to announce that on February 3, 2023, author Neal Shusterman has chosen Aprende from **hundreds** of school sites as part of his book tour for *Gleanings*, a collection of tales from the Scythedom, which returns to the world of the Arc of a Scythe series. In *Scythe* (Arc of a Scythe Book 1), humans live in a world without hunger, disease, or death with Scythes as the living instruments of population control.

Neal Shusterman is the New York Times best-selling author of over 30 novels for children, teens, and adults. He has earned a reputation as a storyteller and dynamic speaker, and we are thrilled that he will be bringing his talents to our students at Aprende Middle School.

We've partnered with a local bookstore, Changing Hands, to offer an Aprende exclusive pre-order for *Gleanings* which is scheduled to be released on November 8, 2022. Students who purchase a pre-order copy of the book through our In Touch system (<https://az-kyrene.intouchreceipting.com>) prior to Friday, November 4, 2022, will be able to attend this exciting author event at Aprende, which will be held at 1:30 PM on February 3, 2023. Once signed in to the In Touch system, parents will click on "Student Activities" and then "Gleanings Novel Pre-Order". Books will be delivered to students at school after the release date, and students will also get a chance for Neal Shusterman to autograph their copy of the book at the event.

If you'd like to purchase and donate an additional book to a student in need or to our school library or to an ELA classroom bookshelf, we'd greatly appreciate it! We are excited to have such a popular author visit our school. If you have any questions, please contact me or your student's ELA teacher.

Respectfully,
Renee Kory, Principal

Nov. 3 - Be in the Know: Chemicals of Concern

Kyrene School District will host a community event to educate families about current drug threats, with an emphasis on fentanyl and vaping. You will learn facts, trends, signs of use, and resources for prevention and intervention. This event is part of Kyrene's Positive Parenting series and will be held Thursday, Nov. 3, 6:00-7:00 p.m. at the Kyrene District Office, 8700 S. Kyrene Rd. [Register Today](#). For the full experience and the opportunity to ask questions, we strongly recommend attending this event in person. However, due to the high interest in this topic, Kyrene will also livestream the presentation to the Kyrene Facebook page. You do not need a Facebook account to view the livestream.

Drugs have evolved over the decades. Youth use starts earlier with more potent chemicals like nicotine, THC, and opioids. Vaping is prevalent and fentanyl is killing people. Kids have access to it all. Anyone can fall into the use and life of addiction. In 2022, there were over 250 drug overdoses daily in the U.S. Let's work together to be knowledgeable or "in the know" and save lives. In this class you will learn about the facts, trends, signs of use, causes of death, and resources for preventing and intervening.
