Aprende Families,

We've had an outstanding first two days of school! The energy from the teachers and students is positive and joyful—it's great to see! Please ensure that each Friday you read our Jagwire newsletter. It can be long, but it contains ALL necessary information you need. We also try to format it in a way that's easy to skim through if certain items don't apply to you/your student. Our Jagwire is also linked on our webpage.

Please review our [schoolwide policies and procedures](#). They have not changed significantly, but we ARE going to be very consistent in enforcing our policies, as the priority on campus is safety and educational access (while ensuring students also have time for fun and social opportunities). In addition, districtwide protocols have also prioritized safety across all campuses with an emphasis on consistent practices and secured campuses/classrooms.

Please also ensure that you have read the [Family Handbook](#) and have acknowledged the technology user agreements and survey permissions (you must decline or approve survey permission). These are all accessed through ParentVue. If you cannot access ParentVue, please call our front office: 480-541-6205.

Thank you for your continued support of Aprende and our schoolwide expectations. If you have any questions/concerns at any time, please don't hesitate to contact me: rkory@kyrene.org

Have a great weekend!
Renee Kory, Aprende Principal

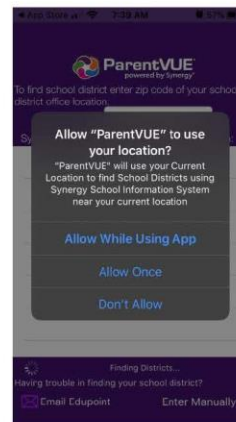

ParentVue Mobile App

The ParentVUE Mobile application helps parents stay informed and connected by providing day-to-day insight into their child's academic experience. ParentVUE Mobile for the iPhone/iPod Touch works with the Synergy™ student information system in much the same way as the ParentVUE web portal, allowing parents to access near real-time information on assignments and scores, attendance, and demographic information. ParentVUE offers parents a single sign-on to view all of their children's information regardless of school.

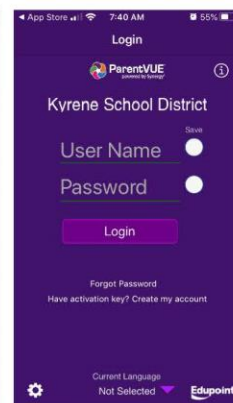

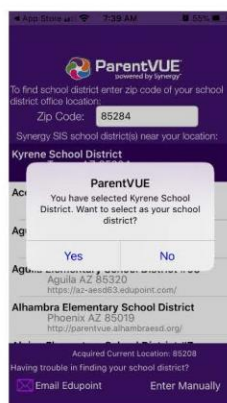

Logging in to ParentVUE Mobile App

After downloading the ParentVUE Mobile App from the App store, follow these directions to log in.

- 1) When opening the app for the first time, you will be asked to connect to your school district. Swipe left to search.
- 2) You can allow the app to use your location to find the nearest school districts by choosing "Allow While Using App" or "Allow Once", or manually enter in your zip code by choosing "Don't Allow"

- 3) Select Kyrene School District from the list of Synergy school districts near you, then click "Yes" to confirm your selection.
- 4) If you already have an active ParentVUE account, click "Already Activated" then log in to your account. **If you do not have an active ParentVUE account, please contact your school for an activation key with directions on how to create an account.*

Traffic Flow Pattern for Entering & Exiting Parking Lots for Student Drop Off & Pick Up at Aprende & Brisas

Below is a map showing some of the signs that the City of Chandler has installed in our school zone. There are also “Do Not Enter Signs” on the Exits to each of our parking lot driveways. Please do not use the North Staff Parking Lot during drop off and pick up times. This parking lot is for staff and buses only during those times. Please review the map - it shows where to drop off and pick up depending on the direction you enter our school zone. Also, there should be no dropping your student off when you are stopped in middle of the road. This is a huge safety concern. We also prefer that you utilize the drop off system instead of parking on the street or at Desert Breeze Park to drop your child off at school as this causes more traffic issues and interrupts the way the flow of traffic is supposed to work.

If you travel from Ray Road you will turn left into the large parking lot in front of Aprende to drop off & pick up, exit right back towards Ray Road. Once you pull into the parking lot and come to a stopping point in the drop off line, your child should immediately exit the vehicle onto the sidewalk and enter the school. This allows you to be ready to move and exit the parking lot when the line moves again. Please stay in the drop off line and wait for the line to move to exit.

If you travel from McClintock you will turn right into the parking lot in front of Brisas, pull all the way forward, and your child will exit onto the sidewalk and walk in front of Brisas to Aprende. You will exit this parking lot by turning left and return in the direction of McClintock. Thank you.

Also, for the safety of everyone, **we need every student and parent** that walks across Desert Breeze Blvd **to use one of our cross walks**. We have a cross walk at the stop sign at Desert Breeze Blvd and Joshua and another cross walk in front of the Brisas parking lot. We ask that **everyone do their part keeping the students safe** as they make their way to and from school. **No Jaywalking or U-Turns Allowed!** Thank you for putting safety first!

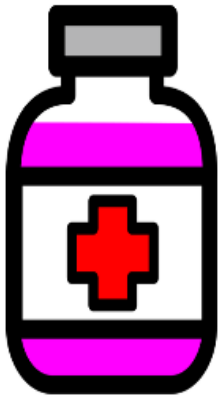

Students Are Not Allowed on Campus Until 7:50 AM

Please note, in accordance with the [Kyrene Family Handbook](#) and also to promote safe practices, *students will not be allowed on campus until 30 minutes prior to the first bell (7:50 a.m.) and must leave immediately at the end of the school day. We do not have adults on school grounds to supervise students prior to 7:50 a.m. and after 3:05 p.m.* If you need before or after care/supervision for your student, please call our Kyrene Customer Service Dept. at 480-541-1500.

The National Junior Honor Society chapter of Aprende Middle School is a duly chartered and affiliated chapter of this prestigious national organization. Membership is open to those students who meet the required standards in five areas of evaluation: scholarship, leadership, service, citizenship, and character. Standards for selection are established by the national office of NJHS and have been revised

to meet our local chapter needs. Students are selected to be members by a 5-member Faculty Council, appointed by the principal, which bestows this honor upon qualified students on behalf of the faculty of our school each year.

Students currently in grades seven or eight are eligible for membership. For the scholarship criterion, a student must have a **cumulative** GPA of 3.8 or better on a 4.0 scale after **3 consecutive quarters** at the same school. **On August 1, 2022**, those students who meet this criterion are invited by Kyrene email to join the NJHS Candidate Class in Google Classroom in order to complete the Candidate Information Form. This required Form will provide the Faculty Council with information regarding the candidate's leadership and service. A history of leadership experiences and participation in school or community service is also required. The 2022 - 23 Faculty Council uses the following standards to determine a candidate's membership into NJHS:

A completed Candidate Information Form that has at least **two** of the **four** sections filled in thoughtfully. *The candidate demonstrates effort to complete the Form to the best of his/her ability and takes each criterion seriously, even if all four sections could not be fully completed.* Taking this into consideration, the Faculty Council sees fit that proving more than just Scholarship will meet the criteria for this organization. Please be aware that ***elementary school opportunities will not be considered*** as examples of a student's *current* leadership, service, or honors/awards.

A completed letter of intent that demonstrates to the best of the candidate's ability that he/she will fulfill the obligations and requirements of membership in NJHS. The letter may not be longer than two pages as stated on the Candidate Information Form.

To help evaluate a candidate's character, the Faculty Council first reviews school disciplinary records. Second, the Candidate Information Forms and personal letters are carefully reviewed by the Faculty Council to determine membership. A majority vote of the Council is necessary for selection.

Candidates are notified regarding selection or non-selection according to a predetermined schedule found on the Aprende Middle School master calendar. Following notification, a formal induction ceremony is held at the school to recognize all the newly selected members. Information about NJHS and the selection process may be found on the 2022 NJHS Candidate Google Classroom page.

Once inducted, new members are required to maintain the same level of performance (or better) in all five criteria that led to their selection. This obligation includes regular attendance at chapter meetings and events held throughout during the school year and participation in the chapter service projects. Hours of individual service during the school year must be documented and submitted each year of membership, as well. Students or parents who have questions regarding the selection process or membership obligations can contact Tonia Deer at tdeer@kyrene.org or Amy Furman at afurma@kyrene.org.
