To keep students safe and make sure we have parking spots available for staff that need to come to campus later in the day, we ask that all parents drop off and pick up their children in the visitors parking lot. ### STEM PROJECT IN ACTION:

Photos capture students reading tall tales in ELA about Pecos Bill followed by a trip to Makerspace to engineer lassos. The lesson concluded with a debriefing in a community circle.

# **Crosswalk Updates:**

Due to a current staffing limitations, we will not have a crossing guard available to assist Cerritos students in crossing the upper crosswalk across from Altadena. Students who need to cross over from the east side of Desert Foothills parkway should walk down the sidewalk to the supervised crosswalk across from Cerritos so they can safely cross to school. If we are able to hire additional staff later this year, we will revisit the use of the upper crosswalk.

### Late Arrival Procedures:

In the event your child arrives on campus after 7:25 am, parents/guardians will need to bring them into the front office and sign them in. Once they have been signed in, they will be given a late pass and proceed through the office to their classroom.
