A Little Reminder

Car Line Pick Up

* When dropping students off in the morning and picking students up in the afternoon, please have students enter and exit the vehicles through the passenger side rear door instead of walking into oncoming traffic to enter from the driver side rear door.

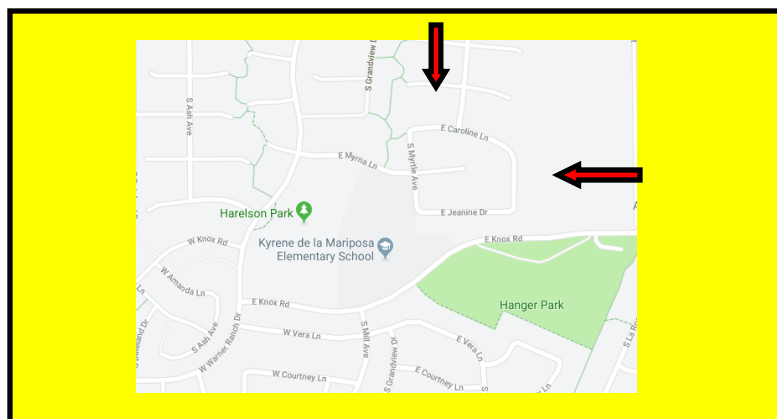

Playground Supervision

*Students may arrive at the playgrounds no earlier than 7:10 am. There is no supervision outside the school building before 7:10. Students may enter through the gates at 7:10 to go to the cafeteria for breakfast.

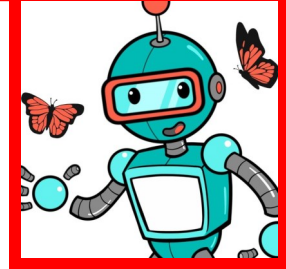

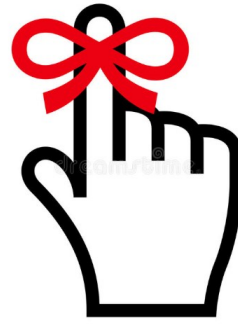

North East Gate

*ONLY students who live to the North and/or to the East of the school may use the NE gate to access the school property in the mornings and afternoons and permission must be given for access by the Assistant Principal, Ms. Payne.

A Little Reminder

NO PARKING

Please pay attention to all "No Parking" signs. Especially on Knox, Eastbound traffic. The South side of Knox is a "No Parking" zone. Tempe police have been notified and will begin to patrol regularly. Thank you for your cooperation and your involvement to ensure student safety.

Bike/Scooter Safety

According to the city of Tempe:

- *Minors with consent of, or accompanied by a parent or guardian, may ride on the sidewalk at all times. Parents and guardians may also ride on the sidewalk when accompanying a minor.
- *Bikes and scooters must ride with the flow of traffic
- *Bikes and scooters must yield the right-of-way to any pedestrian; slow down to 5 mph; and give an audible signal before passing.
- *Riders must be over the age of 16 to operate all non-human powered vehicles.
- *Riders under the age of 18 are required to wear a helmet if operating a human-powered or non-human-powered vehicle.

Message from the Principal

It is hard to believe that we are close to the end of the third full week of school. We have begun what is another outstanding year at Mariposa!

A special thank you to our families who came out for Curriculum Night. Your visibility and engagement in your child's learning is important in your child's development and provided you with important information to support your child throughout this school year.

Mariposa, in collaboration with the PTO, has many wonderful events planned for the upcoming school year. A special thanks to Adrianna Erickson for organizing our annual Ice Cream Social. It will be held on Thursday, August 22nd from 5:30 – 7:00. We are very fortunate to have a dedicated and committed PTO whose mission is to support our students, staff and school as a whole!

Mariposa is excited about the growth and continuation of our Computer Immersion Program! We are now a one:one school where every child has access to an educational I-Pad in Kindergarten, Chrome Books in First and Second Grade and Lenovo tablets and laptops in Third through Fifth grades. Your children will utilize these devices as they engage in lessons that integrate technology into Science and Social Studies. Please join us on Monday, September 23rd @ 6:00 PM to learn more about the program and be introduced to coding.

Kyrene is very fortunate to have the support of our community in last years passing of the bond and override initiatives. The new roof Mariposa which was over thirty years old has been replaced with new skylights in all classrooms. We are currently receiving a much needed energy upgrade to increase efficiency in our heating and cooling.

I am excited about the many new programming opportunities for children including a social and emotional curriculum that will have a weekly focus in each classroom with a focus on self-awareness, self-management, social awareness, responsible decision-making and relationship skills. We believe that this focus along with the addition of a Social Worker will provide additional supports to children and families to support them in a multitude of ways.

Thank you for your continued support and involvement. If together, we always put children at the heart and the center of our decisions, your child's experience at Mariposa will be nothing but the best!

Respectfully,

Spencer Fallgatter, Principal
