

Look what we
did the past 2
weeks!

Kindergarten

With

Mrs. Rojas 11/20/15

Dear Parents,

Thank you! You all did an amazing job getting pledges for our Fundraiser! We ended up in 1st place on pledges. ☺ Time to collect our money now. Thank you to those of you who already collected all your money. You are awesome!

****Turkey Trot-Will be Wed. Nov. 25th-Make sure you bring your ID with you. ☺ We will be eating lunch right after our run. (run-9:45-10:05, lunch-10:10-10:40)**

****No School on Thurs. & Fri. Nov. 26th & 27th-Have a wonderful Thanksgiving!**

Reading

Skills-

***Phoneme blending-Say a word, can your child tell you each sound in that word?**

***Sound out letters to read words. Can your child put those sounds together to read it?**

***Rhyme Recognition-Identify words that rhyme.**

***Listen for initial sound of /i/.**

***Worked on the it word family.**

***Pre-decodable Books: We practiced reading My Pig**

***High Frequency Words-We are working on trying to read all our words.**

Unit on Plants

***Recalled information on the life and achievements of George Washington Carver.**

***We identified the main topic and key details in a story.**

***We reviewed all we learned about plants.**

Unit on Farms

***Explained what a farm is, a farmers job, and machines and tools they use.**

***Identified main topic and key ideas on cows, chickens, pigs, & sheep.**

***Explained why farmers raise these animals.**

Ask your child to tell you what kinds of food you get from each animal and why they are important.

***Learned the life cycle of a chicken**

Congrats to the following students for learning all their letters and sounds!

***Anakin, Chayson, Taylor, Jonah, Madison, & Calvin!!**

Congrats to Jonah for learning all her Kindergarten High Frequency words!!

Math

***Patterns**

Students constructed patterns using different materials. Then they had to identify where the pattern repeats. (units)

***They worked on their tens and ones using story problems.**

***The children are listening to adding problems as well as subtraction stories and writing the equation too! (number sentence)**

***We practiced our numbers 11-20. Both writing and recognizing them.**

Computer Lab

We drew and saved our parts of a plant, and picture of a turkey. We used our drawing tools and our paint bucket to create our picture.

Author Study

We are enjoying our books by Mercer Mayer! These books are great because your child can even try to sound out to read it! ☺

Social Studies

***We read and talked about Thanksgiving and shared our Turkeys. We shared what we are thankful for.**

Writer's Workshop

***We finished writing about what we have learned about plants.**

***We are writing about the foods we like to eat for Thanksgiving dinner. This sure made a lot of us hungry!**

***We wrote what is happening to our plant.**
