All new student dashboard!

The old projects view has been replaced by a student dashboard to make managing files easier.

Wixie

New assignments always show at top

Search for projects by name

Create a new file or create a folder to organize projects

New

View and edit your projects — My Projects

View and edit team projects — Team Projects

View and edit all assignments — Assignments

View a collection of projects you have chosen to highlight — Highlights

Templates

Open a template from the Wixie library, your school, or district — District Activities
