

Concert Planning Enrichment

READ THE DIRECTIONS BEFORE STARTING YOUR RESEARCH

1. Using the internet, go to www.jwpepper.com.
2. Click on the upper tab that says “Band” or “Orchestra” and select “Concert.”
3. Select one piece from each of the following categories/genres to write about (categories are found in the left-hand column)
 - a. Concert & Contest
 - b. Lyrical Selections
 - c. Pop Music
4. Grade & Difficulty may be VERY EASY (VE); can be selected on the left side, 5th category on the list.
5. Most of the pieces on here allow you to listen to them and see the conductor’s part (click listen, view, or watch). Use these to help you make your choice.
6. Don’t have internet? Think through your favorite music, either from past concerts, or movie or video game themes or pop songs that you like. List your favorite pieces or ask your family for suggestions!
7. Bonus extension – send your completed page to your instrumental director. He/She may consider your suggestions for next year!
