

DIY Rap Lesson

Description: Learn about how beat and rhythm can be used in rap music. Use basic concepts and rhyming words to create a short rap with beat and rhythm.

Materials: paper or print at home worksheets, pen or pencil

Optional materials: metronome, dictionary or rhyming dictionary, thesaurus

Instructions: Copy onto paper or print DIY Rap worksheet. Using the worksheet, a separate sheet of paper, or in a notebook, create your own rap based on a pet or favorite animal.

Optional extension: Perform your rap with friends or family members performing the beats.
