Destiny Quest iPad App Installation

*If the Destiny Quest app is already on your iPad, skip to step 2.*

1. Search for and download the **Destiny Quest** app from the App Store.

2. Once installed, the app will look like this:

3. Click to launch Destiny Quest.

4. Enter the Library URL.

5. Click **Connect**.

6. Select a Kyrene school library from the list.

7. Click **Try Destiny Quest** to explore the catalog as a guest user. Or, students may log in to their account if they have set one up with the librarian.

Did you know? Kyrene libraries have eBooks in their catalog that you can read on a computer or handheld device. If the title details show the book is an electronic resource, click the Additional Info tab and look for a link that says Read the Capstone Interactive eBook Now!*
*Note: some eBooks require students to log in before they can read the interactive book online.
