

Welcome to the Wonderful World of Samantha!

Wow! I like this shade of blue! This one's nice too. Anyways, I think you should get to know me more. I joined JagPaw in the first place to finally fill my passion for writing. I am currently working on a book of my very own, and it's turned out pretty awesome! I love to read so much and the only thing I love more than writing and reading is making people laugh, just making someone's day and cheering them up. I also have an **EXTREME popcorn addiction**. I love cats and dogs and I have one kitty named Mayhem and a horribly ugly (but characteristically cute) chiweenie (yes, that's a Chihuahua and a Weiner dog mix, don't laugh). I also used to own The World's Most Adorable Cat, but poor Rigby was ran over in the summer....

Anyway, I forgot to mention that I am almost 12, in 6th grade in Pod B. Thanks for reading my page!
